You have codespaces that will soon be deleted

Hi @rachelorey,

Some of your codespaces are approaching the end of their retention period and will be deleted soon if you don't take action.

If you would like to view all of your codespaces, or delete any unused codespaces manually, please visit https://github.com/codespaces.

Will be deleted on 12 Feb 2026 after 03:47PM UTC
literate space succotash(main)   rachelorey/lecture-notes   Continue using
*Has uncommitted or unpushed changes.

If you'd like to continue using these codespaces, all you need to do is connect to it with the links above.
